Introduction

BIG are delighted to introduce this exciting new venture – giving young people aged 14-19 formal recognition for their Peer Mentoring work, along with excellent training to support them in their work with young people.

The course itself has emerged out of the BIG National Schools Award. It has been written by Val McFarlane, Vicki Lydon & Adrienne Katz, the Directors of BIG.

Participant's written work will be assessed by Bullying Intervention Group. An external verifier will then counter-check the work before certificates are awarded to successful candidates.

1. How to enrol.

To enrol on this course, please contact val.mcfarlane@bigaward.org.uk with the name, email address and contact number of the person wishing to access the course. You will then be invoiced, the cost is £95 per student, which includes certificate, course pack and assessment. If an organisation enrolls 10 or more students, there is a 10% reduction in cost.

2. What happens next?

Once payment is received, the student will receive their online course pack. The course is then completed online and returned to the email address given.

3. What is the timescale for completing the course?

The timescale for completion of the course is 2 years. Most students will complete the course within weeks/months.

5. What does the course entail?

The course is split into two main sections – A) Course Learning Units; B) Case Studies & Real Scenario;

Within Part A, there are 10 Learning Units and you will be asked to progress through each of these Units in order - reading & processing the Unit's course material provided, carrying out a little research work on your own initiative, and then answering the set questions at the end of the Unit in question.

Having completed Part A, you will then move on to Part B. You will be asked to provide some information about a real life case study you were involved in, and how this was resolved. We also provide a case study for those who have not begun to practice as a Peer Mentor and are using the course as training.

6. What happens when I have completed the course?

You will then submit your coursework to Val McFarlane at BIG. The team will complete your course assessment, and after being verified by our external assessor, your certificate will be sent to you. If there are any amendments required, she will inform you and you can re-submit when these are complete.

If you have any further queries, or would like to enrol, please contact Val McFarlane val.mcfarlane@bigaward.org.uk.
