

Renewal of Membership and Award Status Information

Membership Renewal

Membership of BIG is renewed annually. We value all of our members, and hope that they find our resources and support extremely helpful and good value for money. We are a not for profit organisation so therefore have to change a small annual membership fee to deliver our service.

When your membership is four weeks away from expiry, you will receive a reminder from us. You can then either email me val.mcfarlane@bigaward.org.uk or press the RENEW button below which will notify us that you wish to have your annual membership renewed.

RENEW

Your membership will be reactivated, and an invoice for payment sent.

Award Status Renewal

We think it is extremely important, for the children and young people we are supporting, that the excellent practice you have been awarded for is maintained. Therefore we ask that you complete a portfolio each year to renew your award status. The renewal portfolio will appear in YOUR ACCOUNT - Create your portfolio. This is similar to your original portfolio, but requires less information, just an update. We will also request to see your anti-bullying policy, which should be regularly reviewed by your focus group, and also minutes of a focus group meeting to ensure your action plans are being followed up.

Once your renewal portfolio is completed and submitted to us, along with the additional documents listed above, we will assess and renew your award status. You will then receive your up to date certificate and logo.

If you have any queries regarding any of this, please do not hesitate to contact us.
